Subject: Revised cover ltr
Attachments: Parcel G cover letter 8.10.18 V8 clean copy.docx

I added this:

In addition, the Work Plan references the EPA 2014 Guidance *Radiation Risk Assessment at CERCLA Sites: Q&A*.^[1] Please understand that this Guidance specifically recommends against using 12 millirem/year to set cleanup goals at Superfund sites.

Lily Lee
Cleanup Project Manager, Superfund Division
